Notes

"A DECCA recording released exclusively in Australia by World Record Club."

Mono and stereo versions have an identical sleeve and the same number on the back (S/4428) - the mono version has "4428" on beige 'strobe' labels, while the stereo has "S-84428" on green 'strobe' labels. There is a printed "stereo" rosette on the back, and the mono has a red sticker with "mono"

placed over this (though these tend to drop off with age).
