## Comments about [Living In Darkness](#) - Agent Orange

Arashitilar

Almost a 5, but not quite there. Some of the production is a little too commercial for me and that song with the spoken word part in the middle sounds suspiciously like that old, "Time out for Timer," public service announcement in the 1970s that encouraged kids to eat healthy. You know the one... "When your ten gallon hat is feeling five gallons flat, I hanker for a hunk of cheese..."

Maucage

"...a slab or slice or chunk'a, I hanker for a hunk'a..."
